SPEC QUEST

8-Bit W3C Spec Quiz Game

Challenge 02: Improve a W3C tool
(Focus: Improve Documentation)

[Kazumasa Okabe]

Concept

Making W3C Specs Easy & Engaging

- **Goal:** Help developers learn complex W3C specs smoothly
- **Approach:** Turn technical docs into an **8-bit NES Quiz**
- **Format:** Tampermonkey UserScript (Chrome)

Live Demo

🕹️ Launch Game Demo

- **Rapid Development:** Completed core script in ~30 mins, then dedicated remaining time to creating slides.
- **AI Prompting:** ~80% generated by AI, 20% manual polish
- **Features:** 8-bit sound, unlimited retries, dynamic spec parsing

Thank You!
